Dated: Dec 22, 2009

*Torreon is the ideal place to spend a winter vacation: sledding, skiing, and family game time in front of the fire create lifetime memories. Receiving 20% off of regular pricing and complementary wine at check-in makes it even better!*

Snow transforms Torreon Golf Community into one of Arizona's premier winter wonderlands. Kids of all ages can enjoy playing in the snow, or just revel in the scenery, hiking under bright blues skies. Skiing is available nearby at Sunrise Resort, including lessons for beginners, or kids can enjoy making snowmen right outside the door of your condo-style Villa or Lodge. Adjacent to the Apache-Sitgreaves National Forest, Torreon provides breathtaking winter photo opportunities, and a chance to catch a glimpse of the herds of elk and deer that winter in the area.

Enjoy casual dining at the Torreon Grill, or prepare family meals and snacks in Torreon's fully appointed Villas or Lodges, situated in the hub of Arizona's premier master-planned community. Gas fireplaces warm the cozy great rooms, with separate media centers and flat screen TV in each living area.

Special Winter seasonal pricing includes 20% off of your 2 to 7 day stay, with a complementary bottle of Torreon wine upon arrival. (Please mention the winter promotion when making your reservations.)

Interested in exploring Arizona's 4-season hub during your stay? Make a reservation and join us for a Saturday morning continental breakfast and 60 -minute tour of Torreon's 1400 acre master-planned community.
