By Fresh Ideas, LLC

Dated: Mar 08, 2010

*Families who rent at Torreon for Easter vacation have the best of all worlds: adult golf, tennis, supervised game center for the kids; on site hiking/walking, horse back riding, and a cozy fire at the end of the day to share the memories they made.*

Easter vacation at Torreon has something for everyone. The golf course is fresh with spring buds, the days are sunny, the nights cool enough for a cozy fire. Traditional Sunday Brunch at the Torreon Clubhouse is a feast for all the senses, and the weekend is full of Easter egg hunts and activities for kids of all ages.

Guests at Torreon Rental Villas or Lodges at Torreon Golf Community enjoy member benefits during their stay. Unit rental includes daily golf for two adults; cart and greens fees are not included. Temporary membership includes use of all facilities, including Tennis courts, Fitness Center, and the Family Center is open on weekends.

The special Spring break offer includes four nights for the price of three, with a complementary bottle of Torreon wine at check-in. The resort offers 2, or 3 bedroom units; a number of the larger units will sleep 8, with two separate family areas, each with its own media center. Many of the units are pet-friendly, so you can bring the "whole family" along. Sunrise Ski resort is nearby, and Torreon has its own equestrian center on property with trail rides and lessons available for children (6 years old and up) and adults. The Torreon Family Center, complete with Wii, free video and table games is open weekends, 9 am to 5 pm starting March 13, 2010.

Cozy one-bedroom units with mini-kitchen and gas fireplace are available for individuals or couples who want a cozy getaway that does not include a round of golf.
