At Torreon

GRAND OPENING BONUS INCENTIVE

In celebration of the Grand Opening of our new "Cottage" plan, Torreon is extending a special opportunity for Golf Villas II buyers. Now through August 31, 2010, if you choose to build and customize a new Cottage & Villa plan, you'll receive \$2,000 towards upgrades or further customization, or use the credit in purchases, golf fees or dining at the Torreon Clubhouse.

This opportunity is offered for the select Villa home sites highlighted on the community map, home sites 51 – 62. Choose to add an outdoor fireplace, upgrade your kitchen with stainless steel appliances, or perhaps some hardwood flooring. Or, just spend it at the Club to enjoy all the amenities Torreon has to offer.

For more information about this exceptional special contact Candi Williams or Terri Ashley. Visit the Torreon Sales Centre or call 928.532.8563. Visit us at www.Torreon.com.
